Since their arrest last January the women have been in the Tombs in \$30,000 bail.

#### FREEMAN TO AUSTIN.

Will Confer With Railroad Commissioners on Revaluation.

Houston, Texas, March 15.—Judge T. J. Freeman, receiver of the International & Great Northern railroad, left on Monday evening for Austin for a conference tomorrow with the railroad commissioners relative to a revaluation of the properties of the road. Before leaving Judge Freeman stated that there had been no formal application for a revaluation.

"This matter of a revaluation has been discussed in a desultory manner," said Judge Freeman Monday morning, "but at no time has an application been made nor has one been refused, as has been erroneously stated on occasions. I will confer with the railroad commissioners and endeavor to secure favorable action, and then will make this application. It is necessary, as you know, for reorganization purposes and bonding. The ending of the receivership depends entirely upon the action of the commissioners, as we must have a basis for reorganization."

This valuation of the properties of the road will be done by the commission itself and its engineers. There is no concealment of the fact that it is hoped to end the receivership very shortly. Matters have been in abeyance for some weeks owing to the absence of Commissioner Mayfield in the east, but his return last week strengthens the general supposition that no time will be lost in securing a revaluation of the properties of the International & Great Northern.

## CONTEST FOR CUE TITLE

Willie Hoppe and George Sutton Will Contest For Billiard Championship Tonight.

(Herald Special.)

Chicago, March 16.—Before hundreds of students of the green table sport Willie Hoppe, the youthful wonder with the cue, and George Sutton, one of the veterans of the game, will decide the world's championship at 18.1 balkline billiards in Orchestra Hall tonight. The game will be 500 points, and the winner will receive a gold trophy emblematic of the championship.

For several weeks each of the principals has been training and practicing for the big strain he will have to undergo. Neither can say anything after the match about not being ready for the big contest, as each has been doing great work in the way of preparation. In one exhibition with Joe Capron last week Sutton ran out a string of over 300 points, with an average of 25. Hoppe also has been doing some splendid work in practice and appears to be in good trim for the championship match.
